Now Three Styles of the World's Finest Genuine Leather Steering Wheel Covers

Original One Color

Wheelskins are the finest, most luxurious steering wheel covers available anywhere. Handcrafted in California in 15 colors and a size to fit every vehicle, **Wheelskins** are the perfect upgrade for a standard plastic steering wheel or a worn factory leather wheel.

[➔ MORE INFO](#)

EuroTone Two Color

Add a splash of color to any steering wheel with **EuroTone**. Choose one color for the top & bottom, and one color for the sides, to match or complement your interior. You get the same top quality and perfect fit as our original **Wheelskins**.

EuroPerf Perforated

Take it a step further with **EuroPerf** Perforated leather. One tone, we'll perforate the sides, or all around the wheel. **Wheelskins** gives you the best in style, color and texture.

The Wheelskins Philosophy

Since 1977, **Wheelskins** has manufactured only the finest in genuine leather motoring accessories, with strict emphasis on quality and value. Each of our products are purposely designed to be the best available in their category, and our longtime repeat success with our loyal customer base confirms the wisdom of our approach.

Wheelskins has long been a key supplier to the specialty automotive aftermarket, serving New Car Dealers, Upscale Accessory Stores, Upholstery & Trim Shops, and Catalog and Internet Retailers. As a **Wheelskins** customer, you can expect to receive consistently well made products, shipped on time, with universal customer satisfaction.
